

Thank you for your interest in the AWANA T&T Boys Club for boys in grades 3-6. Our goal as a club is to get to know Jesus better and learn to be more like Him. We do this through wonderful weekly Bible lessons, scripture memorization, and games in the gym. We also meet outside of club several times throughout the year for great activities such as roller skating, bike riding, a hay ride, and the Grand Prix toy car race. We compete once a year against other AWANA clubs at the AWANA Games.

Whether you attend church at Mt. View Baptist Church or not, we invite you to join our club and have fun learning about God.

Sincerely,

Scott Burlingame
