

Hello!

We here at the Mt. View Baptist AWANA program are so happy you are interested in our T&T Girl's Club! T&T Stands for Truth and Training, and we have fun learning from the Bible the truth about who Jesus is, while training to be more like Him through the memorization of scripture and Bible lessons. There is even a game time where we compete alongside and against the T&T Boy's! Our department is for girls, grades 3-6; we meet Wednesday evenings from 6:30-8:15PM from Sept. through April.

We also get together outside of Wednesday nights for special events! We have activities such as bicycling, roller skating, tea parties and we always have an end of the year sleepover!

We hope you come join the fun!
